

KJM Receives \$30,000 Grant for KJM Aftercare

Grant Purpose: Specifically for expanding the Good News about how GOD/Jesus helps those who have next to nothing.

August 3, 2024

KJM has received a \$20,000 grant for **KJM Aftercare** (with the possibility of \$10K additional). More details to follow in the coming weeks. **KJM** will receive the first installment in early 2025. The **KJM** Board of Directors will pray and with one mind (Phil 2:2) decide on how best to use the funds for **KJM Aftercare**. The summary of the **KJM** proposal for the grant is as follows:

- To bring broad awareness of the power of Christ to Kalamazoo, to transform the entire county. This will be done specifically by helping jail inmates find shelter, food, and upon release from jail, where we will share those rescue stories with the entire county, revealing GOD's love and Truth, to bring broad healing and joy to Kalamazoo.

KJM is just getting into aftercare, and we are just starting to understand the beauty, power, and joy of helping those who truly have next to nothing, who may have to sleep outside in the dirt tonight. We are just starting to see the salvation power that **KJM Aftercare** has. We are so blessed to be the LORD's hands and feet.

Jeff Grupp, Lead Chaplain and Founder, **Kalamazoo Jail Ministry (KJM)**
